One of our goals for the upcoming year is to build a financial base for the Sequoyah Instrumental Music Foundation (a 501(c)(3) corporation) to offer fee grants for students with financial needs that will allow them to continue their full participation in the instrumental music program. The 'SIMF' will also offer financial support for additional instruction, music and equipment to help supplement the school instrumental budget.

We would appreciate your donation to SIMF (TIN 36-4621219) so that we may continue our support of the Sequoyah High School Instrumental Program.

Your donation may be mailed to:
Sequoyah Instrumental Music Foundation

The Sequoyah Instrumental Music Foundation thanks you for your generous support.

Sincerely,

Casey Eubanks
SHS Director of Bands and Orchestra
